## Happy Anniversary Sale!

We're celebrating 125 years of Nordstrom, and there's no better way to mark that milestone than with our favorite event of the year.

As always, we've brought together brand-new arrivals from customer-favorite brands at unbeatable prices for a limited time. And this year, we're welcoming some exciting new brands to the sale that we think you're going to love, like Reformation, STAUD, Favorite Daughter, Peter Thomas Roth and more.

125 years is a long time, but what makes it meaningful isn't just our history—it's the people who've been part of it. We still remember the energy of our first Anniversary Sale, working on the sales floor in downtown Seattle. There was nothing like it, and that excitement hasn't changed. We've been moved by the traditions that many of you have built around Anniversary Sale: shopping with friends and family, making a day of it at your favorite store or claiming the items on your wish list the moment the sale begins. Those traditions mean a lot to us, and this year, we hope they feel even more special to you.

Our team is ready to make this Anniversary Sale effortless and memorable. Whether you prefer to shop in our stores, on Nordstrom.com or on our app, we want this to be an experience worth celebrating. The best deals go fast, so we encourage you to shop early.

On behalf of everyone at Nordstrom, we thank you for 125 years of loyalty and for making Anniversary Sale a tradition we all look forward to. We're excited to celebrate with you.

Sincerely,

Pete Nordstrom

Erik Nordstrom

## The Big Tote

The oversized, carry-it-all tote is trending, but it's always been an essential. This season, bigger is better, and rich, textural suede feels made for fall.

A belted trench adds polish to a wardrobe classic. High collar? Even better.
