The measurements shown on the size chart above are body measurements. Locate your body measurements on the size chart to determine which size you should purchase.

To get an accurate body measurement, always keep the measuring tape parallel to the floor. Your child should wear undergarments only during measurement; do not measure over clothing.

Once you have determined your child's body measurements, consult the Size Chart and Fit Tips on the product pages to determine which size you should purchase.

Body Measurements:

Chest
With your child's arms out, measure around the fullest part of the chest.

Waist
Measure around the natural waistline.

Hip
Measure around the fullest part of the hips and seat.

Height
Measure from the top of the head to the ground, without shoes.
